

HELP SHAPE THE FUTURE OF PHONE CAPTIONING!

Join a research study to improve captioned telephone services for people with hearing loss and the deaf and hard of hearing.

What's involved?

- Participate in 4 brief captioned phone conversations with a research assistant. Conversations will be casual.
- Respond to survey questions about your experiences in the conversations and answer questions about yourself.

ARE YOU ELIGIBLE?

- Must be 50 or older.
- Have hearing loss.
- Make phone calls using your voice.
- Use captions during phone calls.
- Speak and read English fluently.

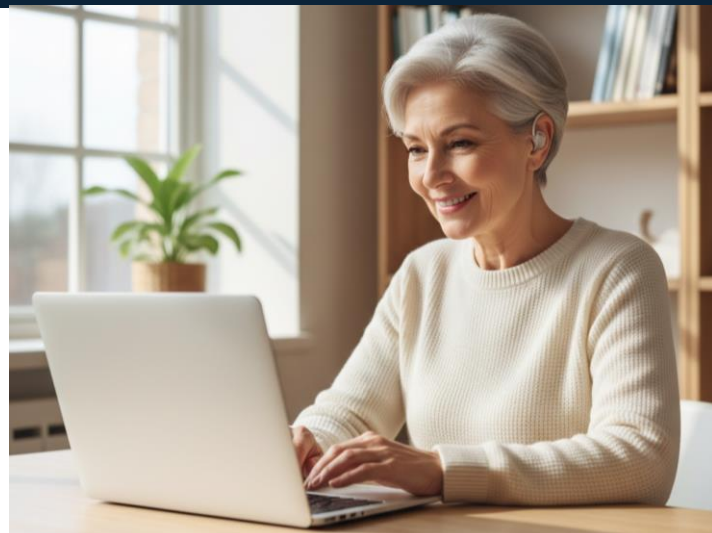

STUDY DETAILS

- Study session will take 60-90 minutes and will be conducted on a laptop/desktop computer.
- Participate online.
- \$50 Amazon gift card for completing the study.

Note: ASL interpreters will not be provided.

WHAT'S NEXT?

- Email our research team at trsusability@mitre.org to let us know you're interested!
- We'll confirm your eligibility and schedule your session.
