

Hearing Loss Solutions: Is a Cochlear Implant Right for You?

» **THURSDAY, OCTOBER 30, 2025 @ 4 PM ET**

» **FREE WEBINAR**

Seilesh Babu, MD

Dennis Bojrab II, MD

Sandra L. Porps,
Au.D. CCC-A

Are you or a loved one experiencing hearing loss and wondering what's next in your hearing journey? You're invited to a webinar to learn about transformations in hearing healthcare such as:

- » The benefits of cochlear implants
- » Advanced technologies like robotic-assisted surgery

» **WHY ATTEND?**

This webinar is a unique opportunity to gain insights from the experts at Michigan Ear Institute and to ask questions that matter most to you. Whether you're just beginning exploring treatment options or you've been researching a while, this session will empower you with the knowledge to confidently take the next step.
